

The Commissioners of Fire District No. 3
In the Township of Franklin, County of Somerset

Resolution 12-16

Authorizing and Execution of Agreement
Relative to Hose Testing

WHEREAS, the various fire districts deem it necessary and appropriate to secure hose testing; and

WHEREAS, a vendor has been contacted relative to the providing of this service; and

WHEREAS, a written proposal has been provided by the vendor setting forth the terms and conditions of the service to be provided.

NOW THEREFORE, BE IT RESOLVED by the Commissioners of Fire District No. 3 in the Township of Franklin, County of Somerset as follows:

1. The fire districts mutually agree to utilize the services of this vendor in providing hose testing,
2. Each fire district shall be responsible for payment relative to the hose testing it utilizes.
3. The fire district hereby approves and authorizes execution of the agreement setting forth this understanding.
4. A copy of this resolution shall be provided to the other fire districts upon adoption.
